

Hood Central Appraisal District 2020 Annual Report

INTRODUCTION

Hood Central Appraisal District is a political subdivision of the state. The Constitution of the State of Texas, the Texas Property Tax Code, and Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

MISSION

As public servants and taxpayers we strive to consistently appraise property and collect taxes for the taxing entities we serve, equally, uniformly and impartially in accordance to Texas Law, while attending to the taxpayers we serve in an efficient, considerate and respectful manner.

This will be accomplished by administering the laws under the property tax system and operating under the standards of:

- The Property Tax Assistance Division of the Texas State Comptroller's Office (PTAD)
- The International association of Assessing Officers (IAAO)
- The Uniform Standards of Professional Appraisal Practice (USPAP)

- Provide advice and consent to the Chief Appraiser concerning the appointment of an Agricultural Advisory Board

The Chief Appraiser is the chief administrator of the appraisal district and is appointed by the Board of Directors. The Chief Appraiser must be certified (or actively working toward certification) as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing and Regulation.

Appraisal Review Board members are appointed by the Board of Directors. To serve on the Hood Central Appraisal District Review Board (ARB), an individual must be a resident of the appraisal district and must have resided in the district for at least two years.
